

## **Summer and School Closing Camp Testimonials**

### **Summer Camp 2011 – Mike S.**

*"I have been intending to write, but your email reminded me. Our son Max has been going to Keva Camp for the several years and has always enjoyed it. But I will have to say that you and your staff outdid themselves this past summer with all the activities and trips. Normally at the end of August I ask Max if he is ready to start school and he is always excited to go back. However, this year he had such a great time at Keva that he was upset that it was ending. Great job!! We look forward to maybe a vacation camp and next summer".*
