SUMMER CAMPS

my first sports summer camp

PROGRAM DESCRIPTION

KEVA takes the kid-favorite My First Sports program, and turns it into fun day camps, with full and half day options. MFS camps are designed with age specific activities for both 3-4 & 5-6 year olds. Camps are packed with skill enhancing games, activities, and crafts designed to build both confidence and motor skills. KEVA instructors are experienced and well-trained, and the camps have an appropriate instructor-to-child ratio. **Children must be 100% toilet trained.**

CAMP FORMAT

KEVA's My First Sports camp has added some new activities for kids to try such as Spanish, Gymnastics, Martial Arts, Cooking, and Science Experiments along with our popular sports activities. These new activities will be incorporated your child's camp experience each day, and will allow kids to sample many activities to see what they are interested in pursuing.
