

Soccer Leagues Offered:

League	Season(s) Offered	Description
Soccer Moms	Spring, Summer, Fall, Winter	Recreational soccer league geared for players aged 30 years+. This is a low contact league where players should expect a relaxed and safe exercise/game experience. Limited soccer experience necessary
Mens Over 30/40	Spring, Summer, Fall, Winter	League geared towards men aged 30 and/or 40 years+. Depending on the season and number of teams that sign up, this league is combined or joint. This league features experienced soccer players that are looking for a controlled, yet skilled, soccer experience. Women are eligible to participate in this league.
Mens Over 50	Spring, Summer, Fall, Winter	League geared towards adults aged 50 years or older, no exceptions. This league features experienced and players new to the game that are looking for a fun outlet to continue playing the game they've grown up with. Minimal contact and safe play is an emphasis. Women are eligible to play in this league.
Mens Open	Spring, Summer, Fall, Winter	Mens league open to players aged 18 years or older. This league features both competitive and intermediate level teams. Teams are scheduled against like-skilled teams to ensure a safe and even playing field; because of this, players of all skill are welcome.
Coed Intermediate	Spring, Summer, Fall, Winter	KEVA's intermediate coed league that features players with soccer experience but who are not interested or ready for the competitive level. Players should expect high level soccer, but in a more casual atmosphere with the focus being on fun, comradery and safety.
Coed Intermediate - 4 Males	Spring, Summer, Fall, Winter	This league mirrors the Coed Intermediate league in every way, except the ratio of girls:guys on the field is different. Teams are able to play with 4 male players at a time. It's ideal for teams that struggle to roster enough female players.
Coed Recreational	Spring, Summer, Fall, Winter	KEVA's most recreational coed league, geared towards players without soccer experience or who have taken a number of years off from the game. Players should expect a casual and relaxed playing experience where physical contact is discouraged and called.

Coed Recreational - 4 Males	Spring, Summer, Fall, Winter	This league mirrors the recreational league in every way, except the ratio of girls:guys on the field is different. Teams are able to play with 4 male players at a time. It's ideal for teams that struggle to roster enough female players.

Volleyball Leagues Offered:

- Recreational:
 - Most basic level
 - The average player on a Rec team will have a basic understanding and ability of the skills involved, but may have not had much practice actually playing.
 - Beginning to bump, set, and spike
 - Makes mistakes and can't always direct their passes to specific players
- Intermediate:
 - Middle level of play
 - Knows the footwork of and how to approach hitting effectively
 - Bump, set, spike
 - Solid knowledge of the game and rules.
- High Intermediate:
 - Most competitive level
 - Players at this level will be more than competent at all fundamental skills and have experience playing in the past
 - Skill levels range from Advanced Intermediate to Experienced.
- Reverse 4's:
 - Competitive power play
 - Players have experience and have a solid knowledge of the game and rules

Basketball Leagues Offered:

Division A - KEVA's most competitive basketball league, geared towards highly skilled teams with extensive basketball playing experience. Players in this league will have at least high school varsity experience, and many have collegiate experience as well.

Division B - KEVA's intermediate to recreational league, geared towards the more novice players looking for exercise and to play the game they love.
