

- Game day conflicts must be emailed to ejones@kevasports.com on or before the registration deadline of the upcoming session in order to be considered.
 - If needed, each team will be allowed 1 reschedule to be used in the regular season (not tournament play). After the reschedule is used, any no show or cancellation will result in an automatic forfeit and will NOT be rescheduled. If you are rescheduling, you will need to contact KEVA at 608-662-7529 by 12pm the day before your scheduled game (Please plan accordingly if your game is after a Holiday as the reschedule request needs to come in on a day we are open) in order to accommodate the reschedule. KEVA does reserve the right to reschedule on an alternate day of play based on availability. If the need to reschedule is covid related, we will evaluate those situations on a case-by-case basis and do our best to accommodate as we cannot guarantee all of these games will be made up.

- Teams must be prepared to play games on days/times that were not specified.

- If games need to be canceled because of weather or other uncontrollable circumstances, each team manager will be called at least two hours prior to your game. After that time, the decision will be made at the field by the referee depending on the conditions.
 - Games canceled due to weather or other uncontrollable circumstances will be rescheduled. These rescheduled games may be played on days and times that were not specified.

- No refunds will be given instead of re-scheduled games.

- Games that are forfeited will not be rescheduled nor will refunds be given.
