ADULT BEAN BAGS

Looking to stay active and socialize after work this summer? We have the answer! Join us on the patio on Wednesday or Friday nights for Bean Bags -- otherwise known as Cornhole. Leagues consist of teams of 2, and each night of play will consist of 3 matches from 3 different teams.

Fun fact!

alzheimer's association

KEVA has been an honored partner of the Alzheimer's Association for

6 years and counting, hosting the annual RivAlz Football game at KEVA every May. KEVA has helped the organization raise more than \$50,000!

Hope to see you at this year's game on May 7th at Noon!

New Staff Spotlight

Meet some of the new staff who have joined the KEVA team. Welcome aboard everyone!

Tyse, Youth Coach

Middleton United

Middleton United's 2022-2023 soccer season registration is open May 1st to June 25th for our 5U (2018 birth year)-14U (2009 birth year) recreational, non-tryout, program.

Registration for our recreational program and information regarding our competitive program can be found directly on our website:
www.middletonunited.org/

If you have questions about the club, please contact Kendra Deja at 608.203.5774 or at middletonunitedregistrar@gmail.com.

Partner Spotlight

<https://madison.mosquitojoe.com/>

Be the most popular house on the block this summer. Mosquito Joe of Madison provides mosquito, tick, and flea control treatments for your home, restaurant, special events and those outdoor breakrooms at the office. Keeping all those you call family and friend including the furry ones safe and itch free.

When April showers bring May flowers, mosquitoes aren't far behind. Ticks are active when temperatures are above 40 degrees and mosquitoes are active when temperatures are above 50 degrees. Both tick and mosquito eggs are dormant during the winter and are waiting for the right conditions to hatch. Treatment starts as the temperatures start to rise to kill the eggs before they hatch and continue throughout the season. So, you can enjoy your yard all summer long.

We believe your yard is a place you should enjoy, not dread due to pesky mosquitoes, fleas, and ticks. We offer both Green and Synthetic options and tailor the treatment plan to fit your space.

Servicing Dane County, Middleton, Verona, Madison, Monona, Fitchburg, Cottage Grove, Sun Prairie, Windsor, DeForest and Waunakee.

Does an itch-free yard sound good to you? Give us a call at (608) 504-2131 and ask how we can make sure your gathering place is pest-free.
