1. Team Roster Registration & Player Eligibility

- 1.1. Online waivers are to be submitted prior to team's first game; visit www.kevasports.com to submit waiver.
 - 1.1.1. Online waivers are valid for one (1) year.
- 1.2. A parent, guardian, or coach (18 years or older and out of high school) is needed on the bench **at all times**.
- 1.3. The total team roster shall not exceed 12 players. No new players may be registered after this number has been reached. Additions can be made up until the third week. At that time rosters are frozen. The players listed on the roster after the third week will be your team for the rest of the session.
- 1.4. All rosters must be Co-Ed, all female teams will be allowed, with a maximum of 3 boys on the court at one time (no maximum number of females).
- 1.5. ALL PLAYERS MUST HAVE A VALID KEVA MEMBERSHIP IN ORDER TO PARTICIPATE IN THE LEAGUE!**
- 1.6. A minimum of 4 players must be present in order to play a match in any volleyball league. If a team does not have at least 4 players ready to play five minutes after the scheduled start time, the first set is forfeit. If after ten minutes they still don't have enough to play, the match is forfeit.
- 1.7. Substitutes may be used but the player must appear on the team's roster. If a player is used who is not on the roster, match will be forfeit. Teams may still play but the opposing team will be declared the winner by forfeit.
- 1.8. Players may legally participate on only one team in each division per session.

 - 3.2.1. If a team decides to rotate players into the set, they may rotate into or out of no more than two positions at a time. The rotation of players into a set must be established at the time of the second side out for that particular team.

If an injured/ill player cannot continue playing, and the team will no longer be able to meet the minimum player requirement, then the set and/or match is forfeit.
 - 3.5.1. If a player becomes injured/ill and unable to continue participating in that set, but the team still has the required number of players to continue playing, there will be a "ghost player" in their position. When service gets to the "ghost player" it will be an automatic side out and point for the opposing team. The next set the team is allowed to set up as if the injured/ill player was not there.
