

KEVA Volleyball Referee Position

Referees must have previous volleyball experience and knowledge (playing, coaching, or referee), and must be available for at least one night of play for the listed days above. Referees can work one or multiple nights a week. Referees choose what nights and games they are available for and must be reliable once they have committed. Candidates must be professional and respectful with the teams, as well as possess a superior understanding of the sport. Referees must provide their own uniform (must be professional and indicate your sports official status) and whistle.

Subject to a background check.

- Available games: Up to 20 games per week (typically 3-5 available each night), can be flexible
